Thank you,

Cynthia Brisson

Coordinator of Religious Education

Discipline Students are expected to exemplify a Christian lifestyle in their interactions with students, catechists, etc. Catechists are responsible for classroom management. If problems arise that can- not be handled by the catechist, the child will be removed from the classroom and the Coordinator will speak to the child concerning correct behavior for the classroom. If the child is a repeti- tive discipline problem, the parent will be contacted and the child will be sent home. The child will not be allowed back into a classroom unless accompanied by a parent or other responsible care giver.

The School Building Care of property and respect for other people's belongings are part of our Christian values. We expect that all parish facilities, especially the building, the classrooms, and the personal property within them will be treated appropriately. Students and their parents will be held accountable for any misuse of the property

I have read the above policies concerning Discipline and the Care of the School Buildings with my child/children.
